*a new community of faith committed to simply  
helping people get one step closer to JESUS*

Bored by church, but interested in deep spirituality? Offended at  
"Christian" violence and bigotry, but drawn toward the teachings  
of Jesus? Longing to know God for who he really is?

So are we.

We believe in God and in his power to change our lives and to  
change our world—for the better. That's why we are forming a  
brand new community of faith on the southside of Lafayette  
called simply, **southside church**.

We value personal contact with God, healthy relationships with  
people, personal growth, and making life better for those around  
us—like Jesus did.

Come and join us. Take part in this spiritual adventure from the  
very beginning, and join us as we grow together.
